

# Finance Information

Compass Business Finance, work with us as a trusted funding partner, dedicated to helping you finance your new commercial equipment with ease. With a commitment to providing flexible, tailored financial solutions, in a simple and straightforward manor, Compass are there to help you invest in the best equipment without straining your budget.

We offer a competitive Hire Purchase facility to help you spread the cost of your purchase over a 12 - 60 month term with fixed monthly payments so you can plan your cash flow with ease. Financing your equipment also improves tax efficiency as interest and charges can be offset against pre-tax profits.
